

# Flightless Bird, American Mouth

Capo 3

I was a quick wet boy  
Diving too deep for coins  
All of your street light eyes  
Wide on my plastic toys  
And when the cops closed the fair  
I cut my long baby hair  
Stole me a dog-eared map  
And called for you everywhere  
Have I found you?  
Flightless bird, jealous, weeping  
Or lost you?  
American mouth  
Big pill looming  
Now I'm a fat house cat  
Nursing my sore blunt tongue  
Watching the warm poison rats  
Curl through the wide fence cracks  
Pissing on magazine photos  
Those fishing lures thrown in the cold and clean  
Blood of Christ mountain stream  
Have I found you?  
Flightless bird, grounded, bleeding  
Or lost you?  
American mouth  
Big pill still going down

# Love Vigilantes

Capo 3

Oh, I've just come from the land of the sun  
From a war that must be won in the name  
of truth  
With our soldiers so brave your freedom we  
will save  
With our rifles and grenades and some help  
from God  
I want to see my family  
My wife and child are waiting for me  
I've got to go home  
I've been so alone, you see  
You just can't believe the joy I did receive  
When I finally got my leave and I was going  
home  
Oh, I flew through the sky, my convictions  
could not lie  
For my country I would die, and I will see it  
soon  
I want to see my family  
My wife and child are waiting for me  
I've got to go home  
I've been so alone, you see  
When I walked through the door my wife  
she lay upon the floor  
And with tears her eyes did soar, I did not  
know why  
Then I looked into her hand and I saw the  
telegram  
Said that I was a brave, brave man, but  
that I was dead  
I want to see my family  
My wife and child are waiting for me  
I've got to go home  
I've been so alone, you see  
I want to see my family  
My wife and child are waiting for me  
I've got to go home  
I've been so alone, you see

## Iron & Wine

Capo 2/3

**C** Please, remember me, happily  
**C** By the rosebush laughing  
**C** With bruises on my chin, the time when **F5**  
We counted every black car passing  
**Am** Your house beneath the hill **G**  
And up until someone caught us in the **F5**  
kitchen **C**  
With maps, a mountain range, a piggy bank **F5**  
A vision too removed to mention  
But please, remember me, fondly  
I heard from someone you're still pretty  
And then they went on to say  
That the pearly gates  
Had some eloquent graffiti  
Like "We'll meet again" and "Fuck the man"  
And "Tell my mother not to worry"  
And angels with their great handshakes  
Were always done in such a hurry  
And please, remember me, that Halloween  
Making fools of all the neighbors  
Our faces painted white  
By midnight, we'd forgotten one another  
And when the morning came I was ashamed  
Only now it seems so silly  
That season left the world and then returned  
And now you're lit up by the city  
So please, remember me, mistakenly  
In the window of the tallest tower  
Calling passers-by but much too high  
To see the empty road at happy hour  
Gleam and resonate, just like the gates  
Around the holy kingdom  
With words like "Lost and found" and  
"Don't look down"  
And "Someone save temptation"

And please, remember me, as in the dream  
We had as rug-burned babies  
Among the fallen trees and fast asleep  
Aside the lions and the ladies  
That called you what you like and even  
might  
Give a gift for your behavior  
A fleeting chance to see a trapeze  
Swinger high as any savior  
But please, remember me, my misery  
And how it lost me all I wanted  
Those dogs that love the rain and chasing  
trains  
The colored birds above their running  
In circles around the well and where it spells  
On the wall behind St. Peter  
So bright, on cinder gray, in spray paint  
"Who the hell can see forever?"  
And please, remember me, seldomly  
In the car behind the carnival  
My hand between your knees, you turned  
from me  
And said, "The trapeze act was wonderful  
But never meant to last", the clown that  
passed  
Saw me just come up with anger  
When it filled with circus dogs, the parking  
lot  
Had an element of danger  
So please, remember me, finally  
And all my uphill clawing  
My dear, but if I make the pearly gates  
I'll do my best to make a drawing  
Of God and Lucifer, a boy and girl  
An angel kissing on a sinner  
A monkey and a man, a marching band  
All around a frightened trapeze swinger

They were <sup>C</sup>sitting  
They were <sup>G</sup>sitting in the strawberry <sup>D</sup>swing  
Every moment was so <sup>C</sup>precious <sup>G D</sup>

They were sitting

I can't wait 'til the morning  
Wouldn't wanna change a thing

Inside a perfectly straight line  
Don't you wanna just curve away  
When it's such  
When it's such a perfect day  
It's such a perfect day

See the **G** **D**

I wait for you

Sleight of hand and twist of fate  
On a bed of nails she makes me wait  
And I wait without you

With or without you  
With or without you

Through the storm we reach the shore  
You give it all but I want more  
And I'm waiting for you

With or without you  
With or without you  
I can't live  
With or without you

And you give yourself away  
And you give yourself away  
And you give, and you give  
And you give yourself away

My hands are tied  
My body bruised, she's got me with  
Nothing to win and  
Nothing left to lose

And you give yourself away  
And you give yourself away  
And you give, and you give  
And you give yourself away

Did I disappoint you?  
Or leave a bad taste in your mouth?  
You act like you never had love  
And you want me to go without

Well it's too late  
Tonight  
To drag the past out  
Into the light  
We're one  
But we're not the same  
We get to carry each other  
Carry each other

Have you come here for forgiveness  
Have you come tor raise the dead  
Havew you come here to play Jesus  
To the lepers in your head

Did I ask too much  
More than a lot  
You gave me nothing  
Now it's all I got  
We're one  
But we're not the same  
We hurt each other  
Then we do it again

# Robot Pirates

## Songs To Wear Pants To

Yo ho ho and a bottle of RAM.

**Am**  
Yar matey! Straight outta Davey Jones’ locker,  
this one goes out to all my fellow robot pirates.  
We be bringing it with da skulls and **Dm Em** crossbones.

**Am**  
Throw your antennas in the air and wave them like you just don’t compute.  
We are the Robot Pirates.

**Am**  
We have robot functions, but we have pirate duties.  
For instance, we’re able to reboot, and we search for booty.  
**Dm Am**  
We wear eye patches and are feared by the masses.  
**E**  
”I have a parrot sitting on my titanium chassis.”

That’s why you’ll hear him say, ”Polly want a cracker?”  
She’s powered by a miniature nuclear reactor.  
**Dm Am**  
She helps to defend our ship from many attackers.  
**E**  
”Who’s your biggest enemy?” Computer hackers!

**Am D**  
We are the Robot Pirates.  
**Am G Am**  
We are made of metal from our heads to our privates.

We are the Robot Pirates.  
Robots are good and pirates are good.  
We do all the things that a robot should.  
”I talked to him in binary, and he understood!”  
We also do the things that a pirate should.

**E**  
”My leg malfunctioned, so I got one made of wood.”  
**Am - Am - E - Am**  
Yes, break it down now. I’m really feeling that beat.  
Shake it, shake, shake it. Shake it, shake, shake it. Shake it, shake, shake it. Shake like a sword with a dead guy on it.

We are the Robot Pirates.  
We are made of metal from our heads to our privates.  
We are the Robot Pirates.  
Instead of a chest, treasure goes in memory banks.  
If you try to shut me down I will make you walk the plank.  
I can cut people open and I don’t have to try.  
And I got a sweet telescope built into my eye.  
Oh, I have to indulge when the ladies beckon.  
Watch me mop the whole poop deck in eleven seconds.  
I can drop the anchor ’cause I know how to work it.  
**E**  
We can’t touch the water ’cause it makes us short circuit.  
**Am**  
We are the Robot Pirates.

# Listen To Your Heart

## Roxette

**Intro 3x:(Bm G A) B G Em**

**Bm G A**  
I know there’s something in the wake of  
**Bm**  
your smile.  
**G A Bm**  
I get a notion from the look in your eyes,  
yea.  
**G A Bm**  
You’ve built a love but that love falls apart.  
**G Em**  
Your little piece of heaventurns too dark.

**Bm**  
Listen to your heart  
**G D A**  
when he’s calling for you.  
**Bm**  
Listen to your heart  
**G D A**  
there’s nothing else you can do.  
**D A**  
I don’t know where you’re going  
**G D**  
and I don’t know why,  
**Bm**  
but listen to your heart  
**G A Bm**  
before you tell him goodbye.

Sometimes you wonder if this fight is worthwhile.  
The precious moments are all lost in the tide, yea.  
They’re swept away and nothing is what is seems,  
the feeling of belonging to your dreams.

Listen to your heart  
when he’s calling for you.  
Listen to your heart  
there’s nothing else you can do.  
I don’t know where you’re going  
and I don’t know why,  
but listen to your heart  
before you tell him goodbye.

**E**  
And there are voices  
that want to be heard.  
**C#m**  
So much to mention  
but you can’t find the words.  
**B**  
The scent of magic,

the beauty that’s been

when love was wilder than the wind.

So I turn to run

I never meant to do you wrong

Oh no, I see  
The spider web and it's me in the middle  
So I twist and turn  
But here am I in my little bubble

I never meant to do you wrong

If a song could get me you

I could run for miles and miles  
I'd take off and I'd start flying  
I could cross land and sea  
If you just believe me  
I should not have hurt you so  
This old house is not a home  
Without you here, there's no use  
I've got no time left to lose

So here it is, here it goes  
I could try rock and roll  
I would change your  
life forever too  
If a song could get me you  
I could make it high or low  
Sing it on the radio  
If that is what I need to do  
If a song could get me you

**C** **G/B**  
If a song could get me through  
**Am** **Gadd9**  
I'd sing my way, right back to you  
**C** **G/B**  
Tell me how, to make it right  
**Am** **G/B**  
Tell me now, I'll start tonight  
**C** **G/B**  
I know I could make it last  
**D** **C**  
I swear to you that if I knew  
**G/B** **Em**  
What I was getting myself into  
**Am**  
I wouldn't answer to my fears  
**C** **D7**  
I'd never leave you standing there

**C** **G/B**  
Just look at me  
**C**  
If you'd only see me  
**Gadd9**  
I would prove my love for you  
**Em**  
I could swallow half the moon  
**D** **C**  
Just tell me where, tell me when  
**D** **C**  
I will have you back again

## Swallowed In The Sea Coldplay

You cut me down a tree **B F#**  
 And brought it back to me **E B**  
 And that's what made me see **Abm F#**  
 Where I was going wrong **E B**  
 You put me on a shelf **F#**  
 And kept me for yourself **E B**  
 I can only blame myself **Abm F#**  
 You can only blame me **E B**  
 And I could write a song **E B**  
 A hundred miles long **Abm F#**  
 Well, that's where I belong **E B**  
 And you belong to me **Abm F#**  
 And I could write it down **E B**  
 Or spread it all around **Abm F#**  
 Get lost and then get found **E B**  
 Or swallowed in the sea **Abm F# B**  
 You put me on a line  
 And hung me out to dry  
 And darling that's when I  
 Decided to go to see you  
 You cut me down to size  
 And opened up my eyes  
 Made me realize  
 What I could not see  
 And I could write a book  
 The one they'll say that shook  
 The world, and then it took  
 It took it back from me  
 And I could write it down  
 Or spread it all around  
 Get lost and then get found  
 And you'll come back to me  
 Not swallowed in the sea

And I could write a song  
 A hundred miles long  
 Well, that's where I belong  
 And you belong with me  
 The streets you're walking on  
 A thousand houses long  
 Well, that's where I belong  
 And you belong with me  
 Oh what good is it to live  
 With nothing left to give  
 Forget but not forgive  
 Not loving all you see  
 Oh the streets you're walking on  
 A thousand houses long  
 Well that's where I belong  
 And you belong with me  
 Not swallowed in the sea **E B**  
 You belong with me **Abm F#**  
 Not swallowed in the sea **E B**  
 Yeah, you belong with me **Abm B**  
 Not swallowed in the sea **E B**

## Blower's Daughter Damien Rice

And so it is **E**  
 Just like you said it would be **Ab**  
 Life goes easy on me **Bb**  
 Most of the time **Ab E**  
 And so it is **E**  
 The shorter story **Ab**  
 No love, no glory **Bb**  
 No hero in her sky **C#m**  
 I can't take my eyes off you **A**  
 I can't take my eyes off you **Abm**  
 I can't take my eyes off you **F#m**  
 I can't take my eyes off you **E**  
 I can't take my eyes off you **Ab Bb**  
 I can't take my eyes... **Ab AbBbE**  
 And so it is **E**  
 Just like you said it should be **Ab**  
 We'll both forget the breeze **Ab A**  
 Most of the time **Ab E**  
 And so it is **E**  
 The colder water **Ab**  
 The blower's daughter **Bb**  
 The pupil in denial **C#m**  
 I can't take my eyes off you **Abm**  
 I can't take my eyes off you **F#m**  
 I can't take my eyes off you **E**  
 I can't take my eyes off you **Ab Bb**  
 I can't take my eyes off you **Ab Bb**  
 I can't take my eyes... **Ab AbBbE**  
 I can't take my eyes... **Ab - Bb**

Did I say that I loathe you? **F# Bsus2**  
 Did I say that I want to **F# Abm**  
 Leave it all behind? **C# Ebm**  
 I can't take my mind off you **B**  
 I can't take my mind off you... **Bbm**  
 I can't take my mind off you **Abm**  
 I can't take my mind off you **F#**  
 I can't take my mind off you **B C#**  
 I can't take my mind... **B**  
 My mind...my mind...  
 'Til I find somebody new

# A Message Coldplay

**C** **Am** **G**  
My song is love

**C** **Am** **G**  
Love to the loveless shown

**C** **Am** **G**  
And it goes on

**Dm** **C** **G**  
You don't have to be alone

**C** **Am** **G**  
Your heavy heart

**C** **Am** **G** **F** **C**  
Is made of stone

**C** **Am** **G**  
And it's so hard to see clearly

**C** **Dm** **C** **G**  
You don't have to be on your own

**F** **G**  
You don't have to be on your own

**Dm** **C** **G**  
And I'm not gonna take it back  
And I'm not gonna say, "I don't mean that"  
You're a target that I'm aiming at

**Dm** **C** **G**  
And I get that message home

My song is love, my song is love, unknown  
And I'm on fire for you, clearly  
You don't have to be alone  
You don't have to be on your own

And I'm not gonna take it back  
And I'm not gonna say, "I don't mean that"  
You're a target that I'm aiming at  
But I'm nothing on my own  
Got to get that message home

**Dm - C - G (2x)**

And I'm not gonna stand and wait  
Not gonna leave it until it's much too late,  
oh  
On a platform, I'm gonna stand and then  
say  
That I'm nothing on my own  
And I love you, please come home

**F - C - G - Am (2x)**

My song is love, is love unknown  
And I've got to get that message home

# Hey there Delilah

Plain White T's

**D** **F#**  
Hey there Delilah, what's it like in New  
York City?

**D**  
I'm a thousand miles away, But girl tonight  
you look so pretty,

**Bm** **G** **A**  
Yes you do, Time Square can't shine as  
bright as you,

**Bm**  
I swear it's true.

Hey there Delilah, Don't you worry about  
the distance,  
I'm right there if you get lonely, Give this  
song another listen,  
Close your eyes, Listen to my voice it's my  
disguise,  
I'm by your side.

**D** **Bm**  
Oh it's what you do to me, Oh it's what  
you do to me,  
Oh it's what you do to me, Oh it's what  
you do to me,  
What you do to me.

Hey there Delilah, I know times are getting  
hard,  
But just believe me girl some day, I'll pay  
the bills with this guitar,  
We'll have it good, We'll have the life we  
knew we would,  
My word is good.

Hey there Delilah, I've got so much left to  
say,  
If every simple song I wrote to you, Would  
take your breath away,  
I'd write it all, Even more in love with me  
you'd fall,  
We'd have it all.

Oh it's what you do to me, Oh it's what  
you do to me,  
Oh it's what you do to me, Oh it's what  
you do to me,

**G** **A**  
A thousand miles seems pretty far, But  
they've got planes and trains and cars,

**D** **Bm**  
I'd walk to you if I had no other way

**G** **A**  
Our friends would all make fun of us, And  
we'll just laugh along because,

**D**  
We know that none of them have felt this

**Bm**  
way,

**G** **D**  
Delilah I can promise you, That by the time  
that we get through,

**Bm** **A**  
The world will never ever be the same, And  
you're to blame.

Hey there Delilah you be good, And don't  
you miss me,  
Two more years and you'll be done with  
school, And I'll be making history,  
Like I do, You'll know it's all because of you,  
We can do whatever we want to,  
Hey there Delilah here's to you, This one's  
for you.

Oh it's what you do to me, Oh it's what  
you do to me,  
Oh it's what you do to me, Oh it's what  
you do to me,  
What you do to me.  
Ohhh

## All I Want Is You

**G**  
If I was a flower growing wild and free  
**C**  
**D**  
All I'd want is you to be my sweet honey  
**G**  
bee.  
And if I was a tree growing tall and green  
All I'd want is you to shade me and be my leaves

If I was a flower growing wild and free  
All I'd want is you to be my sweet honey bee.  
And if I was a tree growing tall and green  
All I'd want is you to shade me and be my leaves

All I want is you, will you be my bride  
Take me by the hand and stand by my side  
All I want is you, will you stay with me?  
Hold me in your arms and sway me like the sea.

If you were a river in the mountains tall,  
The rumble of your water would be my call.  
If you were the winter, I know I'd be the snow  
Just as long as you were with me, when the cold winds blow.

All I want is you, will you be my bride  
Take me by the hand and stand by my side  
All I want is you, will you stay with me?  
Hold me in your arms and sway me like the sea.

If you were a wink, I'd be a nod  
If you were a seed, well I'd be a pod.  
If you were the floor, I'd wanna be the rug  
And if you were a kiss, I know I'd be a hug

All I want is you, will you be my bride  
Take me by the hand and stand by my side  
All I want is you, will you stay with me?  
Hold me in your arms and sway me like the sea.

If you were the wood, I'd be the fire.  
If you were the love, I'd be the desire.  
If you were a castle, I'd be your moat,  
And if you were an ocean, I'd learn to float.

All I want is you, will you be my bride  
Take me by the hand and stand by my side  
All I want is you, will you stay with me?  
Hold me in your arms and sway me like the sea.

## Liar

**Fmaj7** **G** **C**  
I know that things are broken  
**Fmaj7** **G**  
And though there's too many words left  
**C**  
unsaid  
**Fmaj7** **G** **Am**  
You say you have spoken  
**Fmaj7** **G** **C**  
Like the coward I am, I hang my head

And you lay careless your head on my chest  
And don't even look at me looking my best  
And all these things I can't describe  
You would rather I didn't try

**F** **G** **Am** **G** **C**  
But please don't cry, you liar  
Oh please, don't cry, you liar

They told me love was a fortress  
And I had never put it to the test  
And all the while I relied on this honesty  
Well in love we are but amateurs at best

But please don't cry, you liar  
Oh please, don't cry, you liar  
Oh please, don't cry, you liar  
Oh please, don't cry, you liar

You're leaving for your last kiss  
And who in this world could ask me to resist  
Your hands cold as they find my neck  
All this love that I've found I detest

I came here with a load

Honey you are the sea  
Upon which I flow  
And I came here to talk  
I think you should know
