

Flightless Bird, American Mouth

Iron & Wine

Capo 3

I was a quick wet boy
Diving too deep for coins
All of your street light eyes
Wide on my plastic toys
And when the cops closed the fair
I cut my long baby hair
Stole me a dog-eared map
And called for you everywhere
Have I found you?
Flightless bird, jealous, weeping
Or lost you?
American mouth
Big pill looming
Now I'm a fat house cat
Nursing my sore blunt tongue
Watching the warm poison rats
Curl through the wide fence cracks
Pissing on magazine photos
Those fishing lures thrown in the cold and clean
Blood of Christ mountain stream
Have I found you?
Flightless bird, grounded, bleeding
Or lost you?
American mouth
Big pill still going down

Love Vigilantes

Iron & Wine

Capo 3

Oh, I've just come from the land of the sun
From a war that must be won in the name
of truth
With our soldiers so brave your freedom we
will save
With our rifles and grenades and some help
from God
I want to see my family
My wife and child are waiting for me
I've got to go home
I've been so alone, you see
You just can't believe the joy I did receive
When I finally got my leave and I was going
home
Oh, I flew through the sky, my convictions
could not lie
For my country I would die, and I will see it
soon
I want to see my family
My wife and child are waiting for me
I've got to go home
I've been so alone, you see
When I walked through the door my wife
she lay upon the floor
And with tears her eyes did soar, I did not
know why
Then I looked into her hand and I saw the
telegram
Said that I was a brave, brave man, but
that I was dead
I want to see my family
My wife and child are waiting for me
I've got to go home
I've been so alone, you see
I want to see my family
My wife and child are waiting for me
I've got to go home
I've been so alone, you see

The Trapeze Swinger

Iron & Wine

Capo 2/3

C Please, remember me, happily
C By the rosebush laughing
C With bruises on my chin, the time when **F5**
We counted every black car passing
Am Your house beneath the hill **G**
F5 And up until someone caught us in the **C**
G kitchen
Am With maps, a mountain range, a piggy bank **F5**
C A vision too removed to mention **G**
But please, remember me, fondly
I heard from someone you're still pretty
And then they went on to say
That the pearly gates
Had some eloquent graffiti
Like "We'll meet again" and "Fuck the man"
And "Tell my mother not to worry"
And angels with their great handshakes
Were always done in such a hurry
And please, remember me, that Halloween
Making fools of all the neighbors
Our faces painted white
By midnight, we'd forgotten one another
And when the morning came I was ashamed
Only now it seems so silly
That season left the world and then returned
And now you're lit up by the city
So please, remember me, mistakenly
In the window of the tallest tower
Calling passers-by but much too high
To see the empty road at happy hour
Gleam and resonate, just like the gates
Around the holy kingdom
With words like "Lost and found" and
"Don't look down"
And "Someone save temptation"

And please, remember me, as in the dream
We had as rug-burned babies
Among the fallen trees and fast asleep
Aside the lions and the ladies
That called you what you like and even
might
Give a gift for your behavior
A fleeting chance to see a trapeze
Swinger high as any savior
But please, remember me, my misery
And how it lost me all I wanted
Those dogs that love the rain and chasing
trains
The colored birds above their running
In circles around the well and where it spells
On the wall behind St. Peter
So bright, on cinder gray, in spray paint
"Who the hell can see forever?"
And please, remember me, seldomly
In the car behind the carnival
My hand between your knees, you turned
from me
And said, "The trapeze act was wonderful
But never meant to last", the clown that
passed
Saw me just come up with anger
When it filled with circus dogs, the parking
lot
Had an element of danger
So please, remember me, finally
And all my uphill clawing
My dear, but if I make the pearly gates
I'll do my best to make a drawing
Of God and Lucifer, a boy and girl
An angel kissing on a sinner
A monkey and a man, a marching band
All around a frightened trapeze swinger

Strawberry Swing

They were sitting
They were sitting in the strawberry swing
Every moment was so precious

They were sitting
They were talking in the strawberry swing
Everybody was for fighting
Wouldn't wanna waste a thing

Cold, cold water
Bring me round
Now my feet won't touch the ground
Cold, cold water
What ya say?
It's such
It's such a perfect day
It's such a perfect day

I remember
We were walking up to strawberry swing
I can't wait 'til the morning
Wouldn't wanna change a thing

People moving all the time
Inside a perfectly straight line
Don't you wanna just curve away
When it's such
When it's such a perfect day
It's such a perfect day

Robot Pirates

Songs To Wear Pants To

Yo ho ho and a bottle of RAM.
Am
Yar matey! Straight outta Davey Jones’
locker,
this one goes out to all my fellow robot
pirates.
We be bringing it with da skulls and
Dm Em
crossbones.

Am
Throw your antennas in the air and wave
them like you just don’t compute.
We are the Robot Pirates.

Am
We have robot functions, but we have
pirate duties.
For instance, we’re able to reboot, and we
search for booty.

Dm Am
We wear eye patches and are feared by the
masses.
E
”I have a parrot sitting on my titanium
chassis.”

That’s why you’ll hear him say, ”Polly want
a cracker?”
She’s powered by a miniature nuclear
reactor.

Dm Am
She helps to defend our ship from many
attackers.
E
”Who’s your biggest enemy?” Computer
hackers!

Am D
We are the Robot Pirates.
Am G Am
We are made of metal from our heads to
G
our privates.

We are the Robot Pirates.
Robots are good and pirates are good.
We do all the things that a robot should.
”I talked to him in binary, and he
understood!”
We also do the things that a pirate should.

E
”My leg malfunctioned, so I got one made
of wood.”

Am - Am - E - Am
Yes, break it down now. I’m really feeling
that beat.
Shake it, shake, shake it. Shake it, shake,
shake it. Shake it, shake, shake it. Shake
like a sword with a dead guy on it.

We are the Robot Pirates.
We are made of metal from our heads to
our privates.
We are the Robot Pirates.
Instead of a chest, treasure goes in memory
banks.

If you try to shut me down I will make you
walk the plank.
I can cut people open and I don’t have to
try.
And I got a sweet telescope built into my
eye.

Oh, I have to indulge when the ladies
beckon.

Watch me mop the whole poop deck in
eleven seconds.

I can drop the anchor ’cause I know how to
work it.

E
We can’t touch the water ’cause it makes us
short circuit.
Am
We are the Robot Pirates.

Dm **C** **G**
And I'm not gonna take it back
And I'm not gonna say, "I don't mean that"
You're a target that I'm aiming at

Dm **C** **G**
And I get that message home

My song is love, my song is love, unknown
And I'm on fire for you, clearly
You don't have to be alone
You don't have to be on your own

And I'm not gonna take it back
And I'm not gonna say, "I don't mean that"
You're a target that I'm aiming at
But I'm nothing on my own
Got to get that message home

Dm - C - G (2x)

And I'm not gonna stand and wait
Not gonna leave it until it's much too late,
oh
On a platform, I'm gonna stand and then
say
That I'm nothing on my own
And I love you, please come home

F - C - G - Am (2x)

My song is love, is love unknown
And I've got to get that message home

Hey there Delilah

Plain White T's

D **F#**
Hey there Delilah, what's it like in New York City?

D
I'm a thousand miles away, But girl tonight you look so pretty,

Bm **G** **A**
Yes you do, Time Square can't shine as bright as you,

Bm
I swear it's true.

Hey there Delilah, Don't you worry about the distance,
I'm right there if you get lonely, Give this song another listen,
Close your eyes, Listen to my voice it's my disguise,
I'm by your side.

D **Bm**
Oh it's what you do to me, Oh it's what you do to me,
Oh it's what you do to me, Oh it's what you do to me,
What you do to me.

Hey there Delilah, I know times are getting hard,
But just believe me girl some day, I'll pay the bills with this guitar,
We'll have it good, We'll have the life we knew we would,
My word is good.

Hey there Delilah, I've got so much left to say,
If every simple song I wrote to you, Would take your breath away,
I'd write it all, Even more in love with me you'd fall,
We'd have it all.

Oh it's what you do to me, Oh it's what you do to me,
Oh it's what you do to me, Oh it's what you do to me,

G **A**
A thousand miles seems pretty far, But they've got planes and trains and cars,

D **Bm**
I'd walk to you if I had no other way

G **A**
Our friends would all make fun of us, And we'll just laugh along because,

D
We know that none of them have felt this way,

Bm
Delilah I can promise you, That by the time that we get through,

Bm **A**
The world will never ever be the same, And you're to blame.

Hey there Delilah you be good, And don't you miss me,
Two more years and you'll be done with school, And I'll be making history,
Like I do, You'll know it's all because of you,
We can do whatever we want to,
Hey there Delilah here's to you, This one's for you.

Oh it's what you do to me, Oh it's what you do to me,
Oh it's what you do to me, Oh it's what you do to me,
What you do to me.
Ohhh

All I Want Is You

G
If I was a flower growing wild and free
C
D
All I'd want is you to be my sweet honey
G
bee.
And if I was a tree growing tall and green
All I'd want is you to shade me and be my leaves

If I was a flower growing wild and free
All I'd want is you to be my sweet honey bee.
And if I was a tree growing tall and green
All I'd want is you to shade me and be my leaves

All I want is you, will you be my bride
Take me by the hand and stand by my side
All I want is you, will you stay with me?
Hold me in your arms and sway me like the sea.

If you were a river in the mountains tall,
The rumble of your water would be my call.
If you were the winter, I know I'd be the snow
Just as long as you were with me, when the cold winds blow.

All I want is you, will you be my bride
Take me by the hand and stand by my side
All I want is you, will you stay with me?
Hold me in your arms and sway me like the sea.

If you were a wink, I'd be a nod
If you were a seed, well I'd be a pod.
If you were the floor, I'd wanna be the rug
And if you were a kiss, I know I'd be a hug

All I want is you, will you be my bride
Take me by the hand and stand by my side
All I want is you, will you stay with me?
Hold me in your arms and sway me like the sea.

If you were the wood, I'd be the fire.
If you were the love, I'd be the desire.
If you were a castle, I'd be your moat,
And if you were an ocean, I'd learn to float.

All I want is you, will you be my bride
Take me by the hand and stand by my side
All I want is you, will you stay with me?
Hold me in your arms and sway me like the sea.

Liar

Fmaj7 **G** **C**
I know that things are broken
Fmaj7 **G**
And though there's too many words left
C
unsaid
Fmaj7 **G** **Am**
You say you have spoken
Fmaj7 **G** **C**
Like the coward I am, I hang my head

And you lay careless your head on my chest
And don't even look at me looking my best
And all these things I can't describe
You would rather I didn't try

F **G** **Am** **G** **C**
But please don't cry, you liar
Oh please, don't cry, you liar

They told me love was a fortress
And I had never put it to the test
And all the while I relied on this honesty
Well in love we are but amateurs at best

But please don't cry, you liar
Oh please, don't cry, you liar
Oh please, don't cry, you liar
Oh please, don't cry, you liar

You're leaving for your last kiss
And who in this world could ask me to resist
Your hands cold as they find my neck
All this love that I've found I detest
